

# Working Women Award Isle Of Man

## Individual Excellence Award Rising Star Women Award

### OVERVIEW

The Rising Star Women Award recognises a young, high-potential woman who is making a strong impact early in her career. This award honours those who demonstrate clear ambition, innovation, and leadership potential in their field. These women may not yet hold senior titles, but their influence, achievements, and drive to break barriers set them apart as future leaders. The award aims to uplift emerging women professionals who inspire others and are already creating meaningful change.
