

# Working Women Award Isle Of Man

## Individual Excellence Award Women Innovator of the Year

### OVERVIEW

The Women Innovator of the Year award honours a woman who has pioneered bold, original ideas, technologies, products, or services that have created measurable impact. Whether through science, technology, entrepreneurship, education, or creative industries, this award celebrates the spirit of innovation, risk-taking, and disruption. These women are change-makers, reshaping industries or society with their groundbreaking thinking and problem-solving abilities.

..

### ELIGIBILITY

- Open to women-identifying innovators in any field (STEM, business, design, social enterprise, etc.)
- Must have developed and implemented a novel idea, product, or process

### QUALITATIVE CRITERIA

- ..
- Visionary thinking and courage to challenge the status quo
- Problem-solving mindset driven by purpose or social value
- Tenacity in bringing innovation to life despite obstacles
- Influence on teams, industries, or society through innovative work

### METRICS

..	Metrics Criteria	Current Year	Previous Year
Our Sponsors :	<ul style="list-style-type: none"><li>• Product launches or market impact metrics</li><li>• User/customer adoption rates</li><li>• Funding or grants raised for innovation</li><li>• Awards, recognitions, or ..</li></ul>		

### JUDGING CRITERIA

- Originality: Uniqueness and creativity of the idea or solution
- Impact: Tangible results from the innovation (growth, change, influence)
- Scalability: Potential for expansion, replication, or wider implementation
- Leadership: Role in executing and championing the innovation
