

# Working Women Award Isle Of Man

## Individual Excellence Award Young Women Achiever Award

### OVERVIEW

The Young Women Achiever Award celebrates a dynamic young woman who has made notable accomplishments early in her career or field. This award recognises ambition, innovation, and impact demonstrated by women typically under the age of 30 or 35. Whether in business, science, the arts, or activism, this category highlights future leaders who are already shaping the present with excellence, purpose, and determination.

..

### ELIGIBILITY

- Open to women-identifying individuals aged 18 to 35
- Nominees must show early yet significant accomplishments in their field

### QUALITATIVE CRITERIA

- Open to all industries and sectors
- ..
- Determination and resilience in overcoming obstacles
- Confidence in voice, vision, and values
- Social or professional influence, such as mentorship or advocacy
- Role model behaviour for peers and the next generation

### JUDGING CRITERIA

- Early Impact: Evidence of success or recognition achieved at a young age
- Leadership: Demonstrated initiative, responsibility, or influence
- Originality: Unique approach, thinking, or achievements
- Future Potential: Promise for continued leadership or innovation
