At Planet Leasing Limited we pride ourselves on our legendary, excellent customer service. Whether you're looking for a personal leasing deal or business car fleet lease, choosing between contract hire, finance, or wanting to purchase your vehicle outright, we can provide you with professional advice and the best quote to suit your every need. With our huge range of car leasing, van leasing and electric vehicle leasing offers available, our team will work hard to find you the right match. Whether you are looking for the best in-stock lease offers or vehicle leasing deals, we can supply you with any make or model of car, pick-up truck, or van – so if you have a specific vehicle or request in mind, get in touch with the team.
